LORTAB
(Brand Name)

Purpose: This medicine is used to relieve nasal or sinus congestion.

Usage: Take this medicine only as directed by Dr. Beeson. Do not take more of it and do not take it more often than Dr. Beeson ordered. If too much of this type of medication is taken, it may become habit-forming.

Possible Side Effects: This medicine will add to the effects of alcohol and other CNS depressants (medicines that slow down the nervous system). Check with Dr. Beeson before taking any depressants while on this medication. This medicine may cause some people to become drowsy, dizzy, or lightheaded or to have a false sense of well being. Make sure you know how you react to this medicine before you drive, use machines or do other jobs that require you to be alert and clearheaded. If you notice other effects not listed here, contact Dr. Beeson.
